ACHC Announces NextLOGiK as Platinum Sponsor of Annual Charity Golf Tournament

Cary, NC – Accreditation Commission for Health Care announced today that Maryland-based NextLOGiK will sponsor its third-annual Chipping in for Charity golf tournament on May 21, 2018, at Brier Creek Country Club in Raleigh, North Carolina. Last year's tournament raised \$30,000 for two local charities, Big Brothers Big Sisters of the Triangle and SAFEchild. This year's net proceeds will, once again, benefit these two local, family-focused organizations.

"ACHC is most grateful to NextLOGiK for stepping up as our platinum sponsor this year," said ACHC President and CEO José Domingos. "We are honored to support Big Brothers Big Sisters and SAFEchild, and we hope that the donations raised through this event will help make a meaningful difference in the lives of those served by these wonderful organizations. We are truly grateful for the players, corporate sponsors and volunteers who help make this event so successful each year."

"NextLOGiK is devoted to expanding its efforts of outreach and is thrilled to join hands with ACHC in support of Big Brothers Big Sisters and SAFEChild" said Kirk Couser, CEO of NextLOGiK. "Partnering with organizations like ACHC enable businesses to make a greater impact for communities as a whole; we look forward to participating in Chipping in for Charity to do just that."

For more than 100 years, Big Brothers Big Sisters has operated under the belief that inherent in every child is the ability to succeed and thrive in life. As the nation's largest donor and volunteer-supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers ("Bigs") and children ages 6-14 ("Littles"). They develop positive relationships that have a direct and lasting effect on the lives of young people.

SAFEchild was established in 1992 by the Junior League of Raleigh. SAFEchild, an acronym for Stop Abuse for Every Child, supports families with a wide range of needs by offering parent education and support services to families to prevent abuse and neglect. The goal for each family turning to SAFEchild is the same: To build a stronger family and create a healthy, nurturing environment, which allows children to thrive.

NextLOGiK began as the IT department of the largest, private non-profit clinical laboratory accreditation organization in the U.S. With an extensive background in healthcare and compliance, NextLOGiK developed CompWALK, a cloud-based, online and mobile solution that automates compliance and accreditation management operations. NextLOGiK is committed to giving back to the communities that foster its success.

ACHC is a nonprofit accreditation organization that has stood as a symbol of quality and excellence since 1986. The organization has CMS Deeming Authority for Home Health, Hospice and DMEPOS and a Quality Management System that is certified to ISO 9001:2008. ACHC's broad range of accreditation programs also includes Pharmacy, Private Duty Nursing and Behavioral Health. ACHC is the provider's choice for accreditation because of its personal Account Advisors, relevant and realistic standards, competitive pricing and consultative approach to accreditation. Accreditation by ACHC reflects an organization's dedication and commitment to meeting standards that facilitate a higher level of performance and patient care.

ACHC encourages business associates and any interested community members to support the 2018 Chipping in for Charity tournament. For more information on playing, as well as sponsorship and donation opportunities, please visit achcgolf.com or call 855-937-2242.
