## ACHC and PHS Collaborate to Offer Educational Resources and Accreditation Services

**Cary, NC** - Accreditation Commission for Health Care (ACHC), a recognized leader in pharmacy compliance, announces its collaboration with Pharmacy Healthcare Solutions (PHS), a part of AmerisourceBergen. As a premier provider of pharmacy support services, PHS offers a diverse range of software products and consulting services designed to assist health systems in building a cost-effective, quality-driven pharmaceutical care model.

"Our collaboration with Pharmacy Healthcare Solutions brings a lot of energy and enthusiasm with it," said Matt Hughes, ACHC Director of Business Development. "PHS offers assistance in improving pharmaceutical care, which aligns perfectly with our commitment to enhance business operations and ensure the highest quality patient care. We look forward to working with PHS to further build upon the quality of service they provide, while adding value for ACHC customers."

As an added bonus, the collaboration provides PHS members preferred pricing on ACHC Specialty Pharmacy Accreditation services and discounts on ACHCU educational resources, which help prepare pharmacies for accreditation.

ACHC offers a broad suite of pharmacy compliance solutions, including accreditation programs for Specialty, Infusion, Long-Term Care, and Sterile/Non-Sterile Compounding services. Companies seeking to distinguish themselves within the pharmacy market can also obtain distinctions from ACHC, including Oncology, Infectious Disease Specific to HIV, and Hazardous Drug Handling.

"The collaboration between PHS and ACHC demonstrates our response to and investment in the health system specialty pharmacy commitment, which is to provide the highest-quality service through improved patient health outcomes," said Mike Long, President of Pharmacy Healthcare Solutions. "ACHC has established itself as an industry leader in developing the highest regulatory standards and industry best practices, and we're thrilled to collaborate with them to offer educational resources and accreditation services to our health system customers."

PHS is a pharmacy consulting company specializing in acute-care hospitals and health care systems. PHS is deeply committed to the advancement of the profession of pharmacy, and the company's specialized focused allows consultants to quickly identify opportunities, implement solutions, and drive rapid expansion and optimization. PHS knows that every health system is unique and requires a customized, flexible approach. The company's vision is to be a leader in delivering patient-focused, medication-centric, and outcomes-driven solutions. The consulting team at PHS utilizes its decades of experience in pharmacy to help healthcare providers achieve their strategic goals and develop innovative business strategies.

ACHC is a nonprofit accreditation organization that has stood as a symbol of quality and excellence since 1986. The organization has CMS deeming authority for Home Health, Hospice, Renal Dialysis, and DMEPOS, in addition to a Quality Management System that is certified to ISO 9001:2015. ACHC is the provider's choice for accreditation because of its personal Account Advisors, relevant and realistic standards, competitive pricing, and a friendly, educational approach to accreditation. Accreditation by ACHC reflects an organization's dedication and commitment to meeting standards that facilitate a higher level of performance and patient care.
