## ACHC and CPS Partner to Enhance Hospital Pharmacies

Cary, NC – Accreditation Commission for Health Care (ACHC) announces it has entered into a collaborative arrangement with Comprehensive Pharmacy Services, LLC (CPS), a strategic pharmacy solutions company recognized for providing support services that empower healthcare organizations to advance their standards of care. Through this collaboration, ACHC and CPS will work to enhance patient care and operational performance of hospital pharmacies.

“This new collaboration between ACHC and CPS represents an expression of our shared values to elevate the importance of quality care, safety, and patient satisfaction,” said Jon Pritchett, ACHC Program Director. “Together, we can better offer our customers valuable resources and education to help hospital pharmacies maintain compliant with national regulations and industry best practices.”

The collaboration gives CPS customers special pricing on ACHC Pharmacy Accreditation, including services provided by the Pharmacy Compounding Accreditation Board (PCAB), and discounts on ACHCU educational resources that can help prepare pharmacies for accreditation.

For nearly 50 years, CPS has been transforming hospital pharmacies with a strategic approach to enhance quality, improve financial results, and manage risk. CPS is the largest provider of pharmacy support services to more than 800 hospitals and healthcare facilities across the United States and Puerto Rico. The company offers solutions to help hospital pharmacies tackle complex issues, such as medication reconciliation, drug costs, standardization, centralized distribution, regulatory and compliance, and 340B programs.

ACHC offers a broad suite of pharmacy accreditation options, including Specialty, Sterile/Non-Sterile Compounding (PCAB), Mail Order, Infusion, and Long-Term Care services. Companies also can obtain distinctions in Rare Diseases and Orphan Drugs, Oncology, Infectious Disease Specific to HIV, Nutrition Support, and Hazardous Drug Handling.

ACHC has over 30 years of experience promoting safe, quality patient care and is known for providing value, integrity, and the industry’s best customer service. Providers benefit from ACHC’s flexible, educational approach, with solutions tailored to fit their needs. ACHC assists providers throughout the accreditation process by offering access to Account Advisors, clinical and regulatory support, and program-specific educational resources. With no annual fees, ACHC offers cost-effective, competitive pricing to help providers achieve their accreditation goals.
