ACHC and Kansas Home Care & Hospice Association Continue Commitment to Providers

Cary, NC- Accreditation Commission for Health Care (ACHC) announces the renewal of its partnership with Kansas Home Care & Hospice Association (KHCHA), the leading statewide trade association for Kansas home health and hospice agencies.

“ACHC is proud to continue partnering with Kansas Home Care and Hospice Association,” said Matt Hughes, ACHC Director of Business Development. “The benefits KHCHA members receive through ACHC Accreditation and educational resources allow them to demonstrate a commitment to excellence and to provide top-notch patient care in their state.”

KHCHA members will continue to receive special pricing on ACHC Accreditation services for home health, hospice, and private duty programs, as well as discounts on ACHCU resources that can help healthcare providers prepare for ACHC Accreditation and stay up-to-date on industry changes through educational webinars and workshops.

Since forming in 1973, the Kansas Home Care & Hospice Association (formerly Kansas Home Care Association) has served the home care and hospice industries of Kansas through its commitment to being the primary source of information for agencies, policymakers, and the public by providing resources, education, and networking opportunities. KHCHA provides its members with timely informational updates through e-newsletters, district meetings, regular webinars, in-person workshops throughout the year, and their annual conference and trade show each September. For more information, visit www.kshomecare.org.

As a nationally recognized accreditor, ACHC offers a broad suite of home health, hospice, and private duty compliance solutions, including accreditation programs for Home Health Aide, Medical Social Services, Skilled Nursing, Hospice Care, Hospice Inpatient Care, Private Duty Nursing, Private Duty Aide, and Private Duty Companion/Homemaker services. ACHC has CMS deeming authority for Home Health, Hospice, Renal Dialysis, and DMEPOS.

ACHC has over 30 years of experience promoting safe, quality patient care and is known for providing value, integrity, and the industry’s best customer service. Providers benefit from our flexible, educational approach, which gives them options tailored to fit their needs. We assist providers throughout the accreditation process by offering access to personal Account Advisors, clinical and regulatory support, and program-specific educational resources. And with no annual fees, ACHC offers cost-effective, competitive pricing to help providers achieve their accreditation goals.
