

Inc. Magazine 5,000 List

ACHC was selected to appear on Inc. Magazine's list of the nation's fastest-growing private companies in America. Inc. proudly recognizes the importance of growing entrepreneurial companies that are changing with the business landscape. With the many challenges associated with building and operating a business, Inc. is keenly aware of what a tremendous achievement a spot on their list represents. For more than 25 years, Inc. Magazine has celebrated the remarkable achievements of today's entrepreneurial men and women leading the 500 fastest-growing companies with the annual Inc. 500 list. This year, Inc.com presented the Inc. 5,000 – the first ever expansion of the Inc. 500 list. These new honorees were a part of the Annual Inc. 500 Conference and Awards Ceremony in Chicago. Tom Cesar, ACHC President said, "I am just thrilled at where we have come over these past years. We have a great team making these things happen".
