Accreditation Commission for Health Care, Inc Accredits Maxim Healthcare Services

Raleigh, NC, The Accreditation Commission for Health Care (ACHC) is pleased to announce that Maxim Healthcare Services has received ACHC accreditation. Maxim is one of the largest privately held providers of home health and wellness services in the industry. Maxim is a full-service healthcare company that has earned the reputation of providing innovative solutions that improve health and enhance the quality of life for its patients. Their dedication to customer service and improving patient care, combined with a commitment to staffing quality healthcare professionals has made Maxim one of the most dependable healthcare companies in the country.

The Accreditation Commission for Health Care, Inc. is an independent, private, not-for-profit 501 C (3) corporation established in 1986. The core programs include, but are not limited to, home health, pharmacy based programs, home medical equipment and hospice. In 2003, ACHC answered the question, "who accredits the accreditor?" by becoming the first national healthcare accrediting body in the country to earn the international distinction of certification to ISO 9001:2000. A national survey conducted in 2005 by HomeCare Magazine voted ACHC as the number one choice for accreditation by HME suppliers. In 2007, Inc. magazine ranked ACHC No 2,308 on its first-ever Inc. 5,000 list of the fastest-growing private entrepreneurial companies in the country.
