## **ACHC and MHHA Renew Partnership to Support Home-Based Care Providers**

**CARY, N.C.** – Accreditation Commission for Health Care (ACHC) announces the renewal of its partnership with the Michigan HomeCare & Hospice Association (MHHA), a state trade association that represents more than 300 members and promotes home-based care and hospice as integral parts of the healthcare system.

“MHHA and ACHC are committed to ensuring that everyone has access to the highest-quality care and that providers are supported in all facets,” said Susan Mills, ACHC Program Director. “Our partnership allows MHHA members the ability to continue demonstrating their dedication to enhancing the quality of care and patient safety by achieving and maintaining accreditation. This is especially important as regulatory and payor requirements continue to evolve.”

“We value the important partnership we have with ACHC because it offers valuable benefit to MHHA members,” said Barry Cargill, MHHA President and CEO. “ACHC is respected and recognized as an accrediting organization uniquely committed to helping home care and hospice providers meet high standards to improve each business and provide excellent patient or client care.”

The renewed partnership gives MHHA members special pricing on ACHC Accreditation for home health, hospice, private duty, and home infusion therapy services. Discounts also are available on educational workshops and workbooks to help members prepare for accreditation.
