

HealthTrainU: Start the Year Off Right with Compliance Education

Easier Compliance Education: HealthTrainU

Compliance Through HealthTrainU

HealthTrainU is a learning management system (LMS).

A LMS is “a software application or web-based technology used to plan, implement, and assess a specific learning process.”¹

HealthTrainU has other functionality built into the system to keep your employees on track.

What is HealthTrainU?

HealthTrainU is a product of ACHCU.

ACHCU is the educational division of Accreditation Commission for Health Care (ACHC).

ACHC is dedicated to delivering the best possible experience and to partnering with organizations and healthcare professionals that seek accreditation. Learn more at achc.org.

What is HealthTrainU?

HealthTrainU is a one-stop, online, educational resource for healthcare providers like you.

We can show you how easy it is to stay on top of mandated coursework to meet OIG, OSHA, organizational, licensing, and accreditation requirements with this intuitive LMS.

The screenshot shows the HealthTrainU website homepage. The navigation bar includes links for Home, About, Education, Pricing, Survey, HR-Trak, Contact, and a Login button. The main content area features a headline: "Manage. Train. Comply. Learning management made simple." Below this is a sub-headline: "HealthTrainU™ allows you to manage your employees' education requirements for compliance, accreditation, and licensure." To the right of the text is an illustration of various educational and management icons like a laptop, books, a pencil, and a play button. Below the main content is a row of four buttons: "Learn About ..." (with a play button icon), "View Courses" (with a book icon), "Competitive Pricing" (with a dollar sign icon), and "Contact Us" (with a phone icon). At the bottom, there is a section titled "HealthTrainU™ for Managers" with a sub-headline: "HealthTrainU saves you time and money while providing mandatory education to your staff. The system allows you to:" followed by a blurred image of a person's hand on a wheelchair.

How can HealthTrainU make compliance easier?

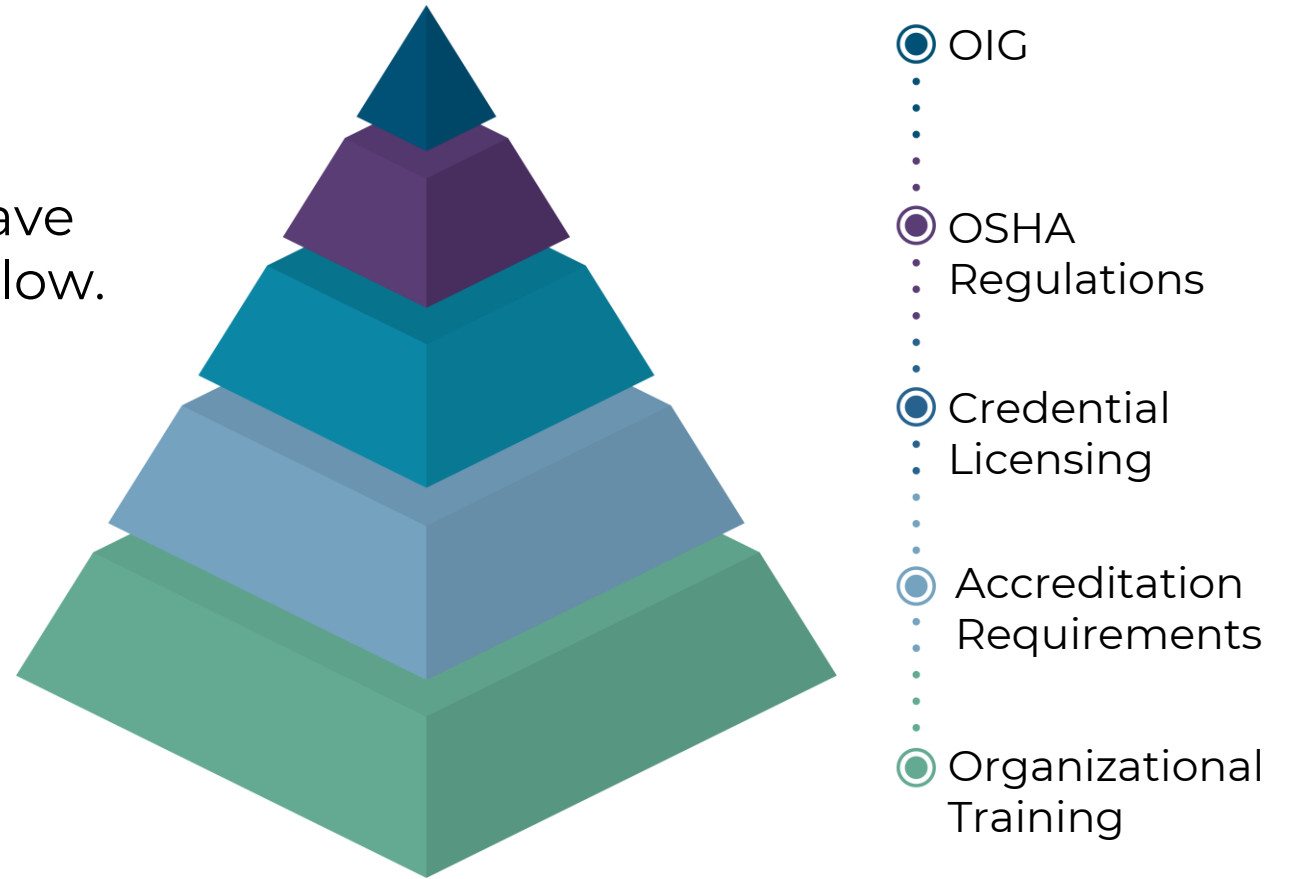

Why HealthTrainU?

COMPLIANCE MADE EASY...

Be compliant – stay compliant

Regulatory organizations and agencies have different educational criteria for you to follow. HealthTrainU makes it easy to manage.

Remember the OIG's directive (from The Federal Register): One of the seven elements of an effective compliance program – *“Conducting Effective Training and Education”*

Why HealthTrainU?

COURSEWORK BY THE INDUSTRY, FOR THE INDUSTRY.

HealthTrainU coursework is developed by industry professionals with the adult learner in mind.

With over 45 courses specific to Home Health/Hospice, and additional compliance courses, you'll have the educational resources necessary for your employee's unique education requirements.

The screenshot shows the HealthTrainU website interface. At the top is a dark blue navigation bar with the HealthTrainU logo and links for Home, About, Education, Pricing, Survey, HR-Trak, Contact, and Login. Below the navigation bar is a hero section with a background image of an open book and the word "Courses" in a large, white font. The main content area features a heading: "HealthTrainU™ offers personalized courses for all industry professionals." followed by a paragraph explaining that every course stands alone and awards a certificate upon successful completion (80% or better). It also mentions that HealthTrainU is an IACET Accredited Provider and lists some courses approved by other agencies. A link is provided for a printable list of courses, and a note states that red "**" symbols indicate ACHC Standard references. At the bottom, there are several course category buttons: "HOME HEALTH (Approved by the Virginia Nurses Association)", "MANAGEMENT IN THE HME INDUSTRY", "ORTHOTICS", and "PROFESSIONAL/PERSONAL DEVELOPMENT". The "HOME HEALTH" button is expanded, showing two course listings: "HH 162 DMEPOS Product/Supply Selection: Information for Home Health Providers*" and "HH 174 Concepts in Palliative Care for Home Health Aides". Below these listings, it indicates a suggested time to complete the course and test: "1 Contact hour CEUs".

What are some of the Home Health courses?

- HH162: DMEPOS Product/Supply Selection: Information for Home Health Providers
- HH164: Telehealth and Remote Patient Monitoring
- HH172: Concepts in Palliative Care for Nurses
- HH174: Concepts in Palliative Care for Home Health Aides

Why HealthTrainU?

CUSTOMIZABLE, FLEXIBLE, YOURS.

HealthTrainU allows you to easily customize your approach to education.

Select one of our preloaded Mastery Programs or create your own to meet your specific needs.

HealthTrainU has the flexibility you need to create your own compliance or positional educational plan.

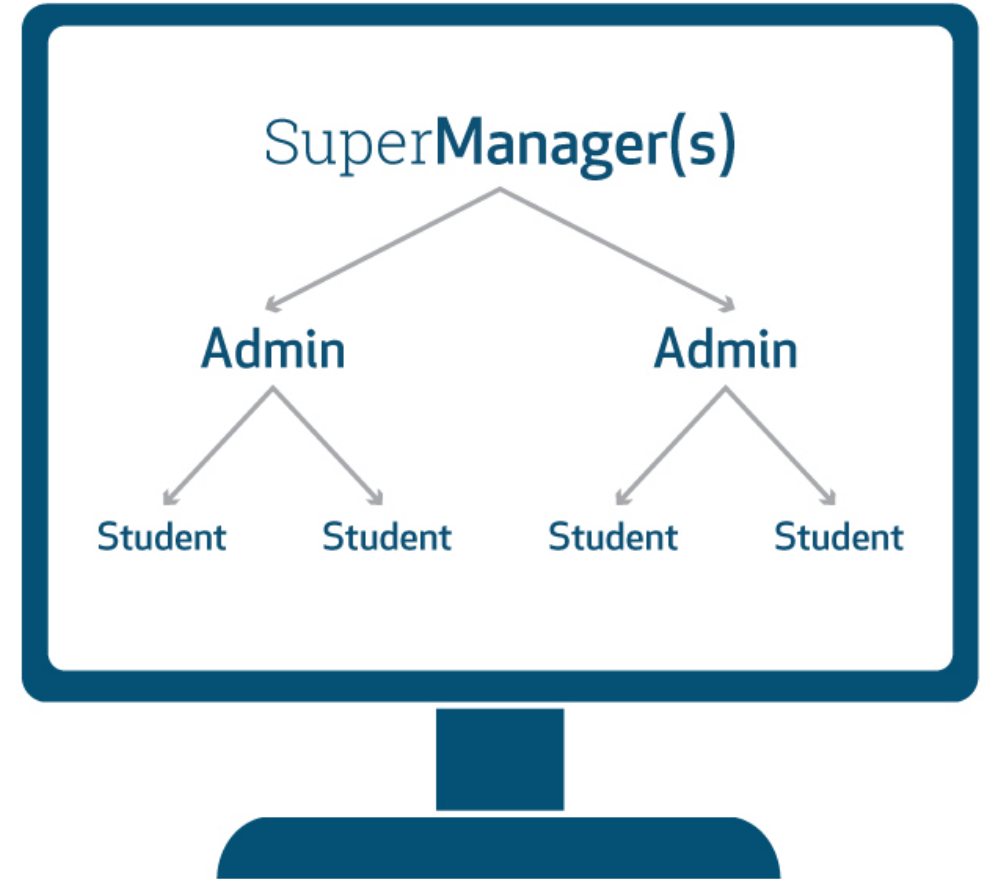

The screenshot shows the HealthTrainU website interface. At the top is a dark blue navigation bar with the HealthTrainU logo and menu items: Home, About, Education (with a dropdown arrow), Pricing, Survey, HR-Trak, Contact, and a Login link. Below the navigation bar is a large banner image featuring a target with several arrows hitting the bullseye. The text 'HealthTrainU™ Mastery Programs' is overlaid on the banner. Below the banner, the heading reads 'HealthTrainU™ Mastery Programs offer in-depth, on-point training'. The main content area contains two paragraphs of text describing the programs. A light blue footer box at the bottom of the screenshot contains a disclaimer: 'This is a very abbreviated list of just some of the Mastery Programs pre-loaded in the HealthTrainU™ system. (* All Mastery Programs based on positions have a Rehab focus, Respiratory focus, or include both focuses)'. The HealthTrainU logo is also visible in the top left corner of the banner area.

Why HealthTrainU?

EASY TO MANAGE COMPLIANCE

- HealthTrainU has 3 levels of hierarchy:
 - SuperManager
 - Admin
 - Student
- SuperManager can be your:
 - HR Department

Why HealthTrainU?

EASY TO SET UP

- HealthTrainU was created to be intuitive for your Students and Admins.
- All links and controls are clearly labeled so your staff has a quick learning curve.
- The system creates a login and once your student creates a password, they are in the system and ready to start their course or Mastery Program.
- Preselect “Due Dates” to keep your employees active in the system.
