ACHC Announces Second Annual Charity Golf Tournament

Cary, NC – Accreditation Commission for Health Care announced today that it will host its second annual Chipping in for Charity golf tournament on May 22, 2017, at Brier Creek Country Club in Raleigh, North Carolina. ACHC is pleased to announce its partnership with Tucson, Arizona- based Dependable Health Services, Inc. as Platinum sponsor of the event.

Players of all levels will have the opportunity to “chip in for charity” while enjoying one of North Carolina’s top-rated golf courses. Last year’s tournament raised \$20,000 for two local charities, Big Brothers Big Sisters of the Triangle and the Interfaith Food Shuttle. This year’s net proceeds will, once again, benefit Big Brothers Big Sisters as well as another local, family-focused organization, SAFEchild

“ACHC is honored to support Big Brothers Big Sisters and SAFEchild, and we hope that the donations raised through our second-annual charity golf tournament will help make a meaningful difference in the lives of those served by these wonderful organizations,” said José Domingos, CEO of ACHC. “We are truly grateful for the players, corporate sponsors and volunteers who are stepping up to make our May 22nd event a success.”

For more than 100 years, Big Brothers Big Sisters has operated under the belief that inherent in every child is the ability to succeed and thrive in life. As the nation’s largest donor and volunteer-supported mentoring network, Big Brothers Big Sisters makes meaningful, monitored matches between adult volunteers (“Bigs”) and children ages 6-14 (“Littles”). They develop positive relationships that have a direct and lasting effect on the lives of young people.

SAFEchild was established in 1992 by the Junior League of Raleigh. SAFEchild, an acronym for Stop Abuse for Every Child, supports families with a wide range of needs by offering parent education and support services to families to prevent abuse and neglect. The goal for each family turning to SAFEchild is the same: To build a stronger family and create a healthy, nurturing environment, which allows children to thrive.

Recognized as one of the country’s top 100 home health care agencies, Dependable Health Services and its sister agencies offer full home health care services and medical equipment customization and repair, as well as temporary staffing for hospitals, clinics, assisted living centers, and nursing homes.

ACHC is a nonprofit accreditation organization that has stood as a symbol of quality and excellence since 1986. The organization has CMS Deeming Authority for Home Health, Hospice and DMEPOS and a Quality Management System that is certified to ISO 9001:2008.
